OVERVIEW OF HARFORD COUNTY CULTURAL ARTS BOARD

The mission of the Cultural Arts Board is to “Preserve, Enhance, and Promote the Culture of Harford County, Maryland.” As the government-appointed local arts agency, Harford County Cultural Arts Board is the premier local resource for arts organizations, independent artists, and the residents of Harford County, Maryland. The Board provides advocacy and administrative support, sponsors workshops, events, and promotional opportunities for the community, and distributes grants to local nonprofit organizations and schools.

According to Chapter 9, Part 2, Article XVIB of the Harford County Code, “The Cultural Arts Advisory Board shall consist of 15 citizen representatives and a member of the County Council, who is an ex-officio, non-voting member. The members shall be appointed by the County Executive and confirmed by the County Council pursuant to Section 223 of the Harford County Charter. The Board members shall be residents of the County; and insofar as possible, be representative of the County’s population with respect to race, gender, political affiliation and geography. The terms of the members are coterminous with that of the County Executive.” The powers and duties of the Cultural Arts Board include but are not limited to the following:

- Promote and support the overall development of arts and culture in Harford County
- Encourage local government and citizen interest in the arts and culture
- Act as the official Arts Council for Harford County in order to accept and disburse funds from Maryland State Arts Council.

Harford County Cultural Arts Advisory Board, its grants, operations, and programs are administered by staff employed by Harford County Public Library.

COMMUNITY ARTS DEVELOPMENT GRANT PROGRAM OVERVIEW

The Community Arts Development matching grant program is the foremost means by which Harford County Cultural Arts Board invests in the development of arts and culture in Harford County, specifically the arts organizations and other nonprofit, tax exempt entities presenting and/or producing arts in Harford County. Each year, a grant is made from Maryland State Arts Council (MSAC) to each of Maryland's twenty-three counties, plus Baltimore City. A portion of the grant to Harford County Cultural Arts Board is designated towards this Community Arts Development Grant program during the annual budgeting process.

Applications are accepted on an annual basis for support of (1) General Operating costs of nonprofit arts organizations in Harford County, Maryland and (2) direct costs of Arts Programming located in Harford County, to benefit the general public, presented by nonprofits incorporated in Maryland, other than arts organizations; units of government, colleges or universities, and religious institutions are also eligible.

Harford County Cultural Arts Board reviews and scores applications on the basis of *artistic merit*, *service to the community*, and *organizational effectiveness*. These scores are combined with metrics representing size of organization, past grant performance, and types of programming, to determine the total dollar amount awarded to each qualifying applicant.

An important consideration in application evaluation is the IDEA factor: Inclusion, Diversity, Equity, and Access. These are increasingly important factors that all nonprofit organizations should be considering when developing any programming.

TYPES OF GRANTS

There are three types of grants under the Community Arts Development grant umbrella, (1) General Operating, (2) Arts Programming, and (3) Arts in Education. Guidelines, application, and review process for Arts in Education support are unique and separate from the first two types and are not incorporated into this document. See (3) below for more information.

(1) General Operating

Nonprofit arts organizations in Harford County are eligible to receive support of up to one-third of their total operating budget. Arts organizations are defined as those producing or presenting the arts through public programs or services. This definition is determined as any organizations whose mission and financial statements reflect that the majority of resources are dedicated to producing and presenting the arts. Examples of these include galleries, orchestras, theaters, or art museums.

(2) Arts Programming

Nonprofit organizations whose main purpose is not producing or presenting the arts, but do regularly provide public arts programs in Harford County, are also eligible to receive support of up to one-half of the direct costs of their arts programming only. These might include community centers, human service organizations, or non-art museums in Harford County. Units of government, colleges or universities, and churches are also eligible.

Arts Programming support is also available to Maryland arts organizations located outside of Harford County, who are producing or presenting arts programs within Harford County. Those organizations may receive support for up to one-half of the direct costs for any Harford County arts programs that are open to the general public.

(3) Arts in Education

Schools and other nonprofit community-based settings within Harford County are eligible for grant funds to support high-quality, Maryland-based-artist-led arts experiences for Pre-K through 12th grade audiences. These are usually Artists in Residence or Visiting Performances within the school setting, but could also include visits to local museums or performances, as well as before or after school programming by high quality arts educators (not school staff). Go to www.CulturalArtsBoard.org for more information about Arts in Education grants.

Throughout Grants Workspace, on each form, there are buttons for “save” and “save draft.” Once the form is completed and “saved,” there is an additional button to press to “submit.” Once submitted, an onscreen confirmation will appear and an email will be sent to confirm submission has occurred. Until submission is confirmed, the form is not an officially submitted application and will not be considered.

All communications are sent to the two email addresses found in the Organizational Profile.

Content of Application

Harford County Cultural Arts Board reviews and updates the grant application and reporting process annually. The grant review panel also reviews the applications annually. Each application panel may comprise different people from year to year. Therefore, do not assume the review panel is knowledgeable about the applicant organization.

Please refer to the Review Criteria (see J. above) when completing the application. All submissions should tell a cohesive story and represent the organization at its best. Panelists look for evidence of the applicant's commitment to its mission and artistic excellence, sound governance, effective organizational management, and an understanding of and responsiveness to its community. During grant panel review meetings, panelists will discuss and score applications based on evidence presented within the application.

Some forms will have conditional questions; this means that subsequent questions may change or be added or removed based on answers to prior questions. Be aware of these changes, as it is the organization's responsibility to ensure the application is complete, comprehensive, and correct.

Financial Information

Financial information from years past (actual revenue and expenses) and a balanced budget (projected revenue and expenses) for the upcoming fiscal year and/or arts program, are an essential part of the application. Please pay particular attention to the accuracy of this section.

All funding and reporting is done on a fiscal year basis that begins on July 1 and ends June 30.

NOTE: If applying for General Operating support, total organizational budget is required, but if applying for Arts Programming support, please provide only that program's budget. Regardless of which type of budget, income and expenses should balance.

If a grantee would like to learn from the grant application outcome, a post award review may be permitted upon request. All grant awards are final. The purpose of the review is not to change the outcome, but to provide the grantee a better understanding of the review process and to aid in the preparation of future grant applications.

To schedule a post award review, please contact the Harford County Cultural Arts Board Coordinator by midnight of the 15th day following receipt of the grant decision email. The coordinator will schedule a time for either an over-the-phone or a face-to-face review. The names of panel members will remain anonymous. The coordinator will answer questions regarding the grant award process and the scoring algorithm.
